More from the Board Meeting...

Our Board Meeting finished just 10 minutes late, a huge improvement on the last one 😊

At a glance  
# Jack reported that he had invited Ben and Narelle Bate to the DG's visit to receive an award (from Jack's Presidency)

# Marilyn requested that any orders for Rotary clothing be in by the 9<sup>th</sup> of September.

# It was decided that Pride of Workmanship Awards will be the 31<sup>st</sup> of March 2011 and we will revamp the format and involve all members.

# Account balances were reported by John and all looks good – copy is available.

At the board meeting it was decided that we will run the van at the September Markets. The High School P&C are having problems supplying enough people to staff the van and following the problems of the last Market a new approach was needed. This has been conveyed by letter and conversation to Tony Fahey and Isy Gabriel. As we start and clean up the bit in the middle shouldn't be much more of an effort if we all get involved. The Markets are not a huge commitment but are our No 1 fundraising project. So please think about putting aside the morning of the fourth Sunday of each month for your club. Spouses and friends are most welcome (children under 16 must have full supervision) and we should not only produce a top quality product but also have a lot of fun in the process. Looking forward to your enthusiastic response and being part of the team.

## *Shelter box for Pakistan flood victims.*

*We have purchased a Shelter box for this horrendous disaster. We also started collecting at the Markets and will continue through September. Marilyn has also advised the Primary School will be raising money for this noble cause.*

**DON'T FORGET TO WEAR SOMETHING GREEN AND BRING A JOKE- IRISH, BLONDE OR OTHER CLEAN JOKE.**

## Short words from bob ant

Welcome to “almost spring!” , now if some of the rain that fell in Pakistan could fall on us it would be a wonderful start to the mowing season. I was hoping to aim our international efforts at “Polo Plus” but that has gone on the back burner for now and again we need shelter box donations.

This week the Primary School has come on board and I have some money boxes for shops that we will need to distribute, any help would be wonderful. Keep talking up this great project that is unique to Rotary and we'll also look for publicity in the local paper. If you have any ideas on how we can promote this worthy cause, please come forward.

Ian and Rolf are putting together an operational plan for the “Mountain Bike” project at Pub Hill Farm. This will take us into new territory and although a bit scary it is also exciting. With two very capable team members and the rest of us on hand, I'm confident of a great success.

Thursday night's guest speaker spot will run a bit differently and I hope you'll enjoy something a bit different.

## *STOP PRESS....*

Rotary Peace fellow tells her story – rest of story on Rotary web site, media.

I was in a taxi on the way to testify before Congress on the situation facing Colombia's human rights defenders, the first time I was to appear before a congressional hearing, and I had the jitters.

I turned to my Colombian colleague – a human rights lawyer with two decades of experience backing the victims of Colombia's 40-year war – and asked if he felt anxious too.

“What makes me nervous is the thought of returning to Colombia after these hearings and what could follow,” he responded.

In that moment, he summed up the challenge of my job as executive director of the independent U.S. Office on Colombia and as an advocate in Washington, D.C., defending human rights workers. None of it would have been possible without the Rotary Peace Fellowship I was awarded for 2005-07.

*Ian is going to bring some forms for all to fill in. These are to have a Police check, which is required when dealing with young people.*

*Currently we don't have an exchange Student but should that change we will need this done. This will also cover us when working with young people in the Van, at Rotary projects such as RYPEN etc. It would be great if everyone filled out the forms.*
