## THANK YOU THANK YOU ALL

Our Bike-A-Thon might not have attracted more entrants, but thanks to the hard work and dedication of our team, it was a great event that will grow.

Thank you firstly to Bob Aston, Jack and Laurelle for their **huge** effort in organising the event, publicity and the Council. Bob briefed the helpers last Thursday night and made sure we didn't have any problems. The event ran like clockwork with the help of our members, VRA, Cycle way committee and St John Ambulance and friends of Rotary, such as Lyn Hardingham and Merinda.

As well as the event, we also had the Markets. Jeremy, Kris, Laurelle, Angie, Terry, George and John helped man the Van. Chris for getting the Marketeers booked in, plan made etc. Everyone worked to make this a successful day. I thank you and hope I haven't left anyone out.

**TONIGHT:** Charmaine White, Dentist – who also helped us ☺

## Short words from bob ant

Sunday ... "Houston we seem to have a problem!!!" computer is showing a red screen and asking for money to fix... Monday, computer expert "I've seen this before..." Takes it away to fix... Wednesday night ... aaaahhh ... Produces Beacon on Lap Top and sends out to get it emailed... How many curved balls do I need!?! Sunday was a success. Maybe not in takings, maybe not in numbers, maybe not in Market stalls BUT in what a community can bring together with the help and expertise of our Rotary club.

The people who competed in the Bike-A-Thon all enjoyed the experience. They exercised, they laughed, they finished at the Markets and they supported OUR project.

We will de brief and look at how this can be improved but for now we can sit back with the knowledge that we did our best and ran a streamlined event, thank you Bob Aston, Jack and Laurelle.

And thanks to Max, with help from Pat, for getting Bowel Scan off and running and to Rolf for his help at the Markets (and each week as our Sergeant) despite having a stall of his own.

Our wonderful members make us a great little Club, and for that I thank you. It is a privilege to be your President.

RYPEN

Rypen is coming on the 13<sup>th</sup> to 15<sup>th</sup> of May

We need to find students to sponsor for this camp and all applications must be in by Friday the 6<sup>th</sup> of May.

This is a fantastic opportunity for students and we are also responsible for transporting the students to and from Mogo.

Please advise Laurelle if you have a student in mind and / or you can help with transport if needed.

This is a fantastic program for students that we fully support.
