Thank you VRA

Short words from bob ant

Thank you to everyone who helped out last week, during my absence, and especially to Merinda for her wonderful support.

Secretary Jack has sent out the invites for our Changeover.

Remember that this is a partner's night.

If there is someone who you feel needs a formal invitation please let Jack know ASAP

Our newest recruit Charmaine and Vice Pres. Jeremy swap banners from her old club Parkwood in QLD for a Narooma one.

THE VRA – “A HELPING HAND ANYTIME, ANYWHERE”

Jeff Garrad, captain of Narooma VRA, gave a compelling speech last Thursday evening on the magnificent work they perform.

Most of their work involves Motor Vehicle Accidents (MVA). In the last 18 months they have received 33 call outs – 14 MVA. They train weekly and have to complete a minimum 24 hours training per month.

Narooma is very lucky to have such a specialist first response unit who have also been great supporters of our Club. Currently the VRA are looking to purchase a “STABFAST” system which keeps a car that has rolled on to its’ side stable. Once the car is stabilised, the VRA members can safely climb in to rescue the trapped occupants. This will increase safety, as well as speed up the time it takes to release the occupants and get them to hospital.

Jack Wightman (pictured) conveyed our thanks to Jeff.
