Charmaine's Chatter

At our 56th Changeover night we had Phil Armstrong represent Rotary International and he did a fine job . Micheal O'Connor was a top MC and had some stories to tell .

Charmaine gave special thanks to the following people Laurelle Pacey for her PR work especially The Duck Race and Christmas Races Peter Bull for organizing the great speakers and bulletin editor he did a sterling job. Orit Karney-Winters for bring together the community with our Christmas whale project . Angie who has been working to renew links with the Narooma high school .

Paul Harris Fellows

It was a real surprise when Bob Antill and Merinda were announced as our newest Paul Harris Fellows. Since 2008 he has been a dedicated member of Narooma Rotary holding numerous Director positions including a successful year as President. He was also a great Youth exchange host for Tim with the help of Merinda. He always is ready to help, says yes, accepts change and steps up by reorganizing his day when we are stretched for man power and we really relied on Bob this year with Van and trailer towing for our BBQ and market events.

Rotarian of the year

Last night I also honoured Jack Wrightman, I see this award should go to someone in the club who has helped me especially in my year as president. Jack has guided me, listened, taken action when asked and supported my innovations and been a good solid reliable sounding board when I needed one. He has held the positions of Secretary and Treasurer, done numerous rosters so we all know who does what where. He organized our clubs audits this year bringing them up to date and entered our details onto the RI website which is a time consuming task.

Thank you to all our guests and visiting rotarians who took the time to come along to our 56th Changeover. It was great to see George Barker and Terry Irvine again.

Everyone received a small gift and if you want to know more about this organization go to www.whogivesacrap.org.

Thank you for a top year and I know next year we have a great year with Angie and her Board of directors.

New Rotary Year with President Angie in the drivers seat . Congradulations
