Lighting and Lightening up Rotary – 29 January 2015

Well, it just keeps getting better! January has been a great month with social evenings at Lynn and Chris' homes, then our bumper market 25/1 where we sold the last Duck raffle tickets and had a ShelterBox on display for the public to see what the raffle was raising money for. Thanks to Mike Young for making the display possible. Australia Day was celebrated the following day where I had the pleasure of announcing Carl McEvoy the recipient of our Tertiary Scholarship for 2015. Thrilled to hear that Tralee and Ron Snape (*Tilba*) were named Eurobodalla Citizens of the Year. So deserving. They inspired the move to build a new Oncology Unit at Moruya hospital and the fantastic efforts by all 3 Rotary Clubs in the Eurobodalla and the wider community to realise this. Thanks especially to Laurelle Pacey for nominating them for this esteemed award.

Then a Big Splash in the afternoon when 1000 ducks from CRABS, Bermagui were launched off the bridge. After some trepidation - they were off! We were delighted that the winning and last ducks were both won this year by locals, Paul Kelly and Shanna Provost. It was all hands on deck to retrieve the 1000 ducks. Thanks are due to Chris, Charmaine and Lynn for transporting the carloads of ducks from/to Bermagui. Also many thanks to the VRA Rescue Squad, Narooma Surf Club and the kayakers. Even the big Rotary Duck (moi) dressed in the new duck costume aimed to bring another dimension of fun to the event.

Rotary International Matters

Last night was Youth night and we were delighted to welcome some of our tertiary scholarship holders and their families. Carl McEvoy will shortly be embarking on a Bachelor of Arts (Media) degree at Macquarie

University, Sydney. Connor Ross recipient in 2014 will start study for a Bachelor of Arts (Music) at the Royal Melbourne Institute of Technology after a gap year. Both young men impressed us greatly with their enthusiasm, extensive talents, plans and ambitions and keen to take up internships at the end of their studies to gain work

entry in their chosen field.

Another Scholarship holder, Maia Zucco was unable to be present. However, her counsellor, Peter Bull impressed us with her news that she has just successfully completed her second year studying for a Psychology degree at Macquarie University. She achieved 2 High Distinctions and 2 Distinctions in her units, Developmental Psychology, Biopsychology, Brain & Language and Neuropsychology. Maia is now keen to aim for a Masters of Clinical Neuropsychology.

We wish all recipients the very best for 2015 and look forward to their news and exciting future ventures.
