12 February 2015 - MAGIC, juggling & trombones

What a treat! Our Potato Point super duo, David and Rachel McInnes treated us to a class act of magic and fun. Then Frank Eden entertained us with juggling and stories of his life thus far. David and Rachel's Christmas Day with their family now celebrates with a tradition called 'Potato Point's got Talent' quest. Everyone comes up with all kinds of entertainment ranging from limericks to a dear old aunt wearing a tiara and singing 'diamonds are a girl's best friend'. (she won). The talent time fun & feasting goes on all day culminating with a trophy presented. David, dressed in style - tails & top hat and Rachel sporting her cat's ears tiara had us in stitches. Magic tricks had us all oohing and their 'piece de resistance' was the amazing 'headtwister', where David nearly lost his head!

Frank followed with a juggling act, then told us about his childhood in Carlingford, Sydney followed later by a move to Newcastle, where with his mum's encouragement he started working in the BHP computer section. Down the track his love of mathematics led to a degree in same at NSW Uni. Then.. a surprise. Frank is almost a master trombone player! The Salvation Army Band in Canberra got him started and this love nearly led to a music career but IT proved more lucrative. He became Principal Trombone with the Canberra City Band and has played with various bands incl. Spectrum Jazz Band and the Hall Village Trombone Quartet. Along the way he met Iris, his wife, who plays the saxophone. Renewable energy and applications at a local level are now a passion.

Welcome to Rotarian Rod Walker, good friend of Peter Bull's, who has just moved here from Canberra and keen to join our Club. Yeh!

Rotary Clubs of Batemans Bay, Moruya & Narooma met for a joint dinner meeting last Wed at Moruya to celebrate Rotary International's 110th Birthday and presentation of money raised for Moruya Cancer Carers from our Rotary Christmas at the Races. Our Rotary Clubs raised the amazing sum of \$9,500 (of

Aitkenson, CEO Moruya Jockey Club contributed another \$12,000 – making a total of \$23,500! Deputy Mayor and Chair of Moruya Cancer Carers, Rob Pollock, accepted the money, saying the overall effort to fund a new oncology unit, fitout & ambience at Moruya hospital had been sensational. Ron and Tralee Snape, Tilba, - who started this initiative - were also our guests on the night. They were recently awarded 'Eurobodalla Citizens of the Year 2015' due to Laurelle Pacey nominating them on behalf of our Club.

Tuesday 17 March - PREVENTING MENTAL HEALTH FORUM 2015: 6.30 – 8.30pm at Moruya Golf Club:

Flyers were handed out last night and appreciate you all posting the information around the community and telling your friends

about this important forum.

Eurobodalla Rotary Clubs have been selected within District 9710 to host a Mental Health forum open to all.

Australian Rotary Health (providing \$1000) has requested this service to the Community and the key focus will be on Prevention. Rotary has a vital role to play in facilitating such forums to help the community be more aware of factors that can make a difference to ones mental health & wellbeing.

Speakers: Fay Jackson - Asst. Commissioner, NSW Dept of Health, Graham Parry – Headspace and a local doctor tba. The audience will be invited to field questions and information booths will be set up. Rotarians are asked to help on the night please.

Mon & Tues 23 & 24 March RYDA (Rotary Youth Driver Awareness): Year 11 students at all schools in the Eurobodalla about to get their L plates are encouraged to attend this important annual road safety program presented by professionals. We need 2 people from our Club to help on both days please – lunch is included.

Sat 28 March - Club Visioning at the Whale 10 – 4.30pm: An important opportunity for all our valued members to explore and develop how we see our Club and future plans. This workshop is guided by 4 expert facilitators and has proven a very successful initiative for many clubs in our District 9710.

District Training Assembly will be held in Tumut 18 & 19 April, 2015 more soon
