### Pride of Workmanship

This week our club recognises the excellence of employees of eight local businesses at our prestigious Pride of Workmanship Awards presentation.

This is a wonderful evening and a great time to invite partners, but please make sure you let Anthony know by Tuesday.

Pride of Workmanship is a great Rotary program that gives business owners the opportunity to publicly acknowledge how much they value their staff and the work they do.

It is not a competition.

Companies who have nominated people for this year's awards are Tilba Real Milk, Meads' ABC Bakery, Dalmeny Long Day Care Centre, IRT Dalmeny, Narooma Auto Electrics, Narooma High School, Tilba Sweet Spot and The Whale.

Mayor Lindsay Brown and wife Lynn will be club guests on the night.

### Cinders close but not close enough

We had a great night at Moruya last week for our hotly contested annual night of fun and trivia for the much coveted Cinders Trophy.

## URGENT SAFETY ADVICE

The attached article from today's Sunday Canberra Times illustrates the danger of using aerosol sprays in the vicinity of barbecues. As such an incident has occurred, it is important for Clubs to protect the safety of Rotarians and members of the public by not using aerosol cans in the vicinity of any barbecue. Ignorance cannot be an excuse if any further incident occurs. If oil is required for barbecuing, you should use oil from a non-aerosol pump spray. Please make sure all members involved in community barbecues are advised accordingly and aerosol sprays be removed from barbecue trailers and kits.

**Please organize with someone else if you are unavailable to do the meeting duty as rostered below**
