Thursday 9 April – PRIDE OF WORKMANSHIP AWARDS 2015

Pride of Workmanship is a Rotary Vocational Service Project. As our Clubs Vocational Service Director, Laurelle Pacey did us proud organising another top evening. So much work sending out letters, printing the program, culminating with the printing and framing of the certificates so beautifully.

The concept of Pride of Workmanship is an Australian one started by the Rotary District 9680 in June 1975. These annual Rotary presentations have now been adopted by over 600 Clubs in Australia, New Zealand, the South Pacific, Malaysia, Canada and the USA.

This great Rotary program gives local business owners a golden opportunity to publicly acknowledge just how much they value their staff, so empowering for all in our community.

The proud awardees were presented with framed certificates recognising their outstanding qualities and commitment to work, irrespective of age or vocation.

Thanks also to Peter Bull for being MC and Bob Antill for the photos.

The awardees were:

Dalmeny Long Day Care	- Justine Tominey
Irt Dalmeny	- Wendy Machin
Meads ABC Bakery	- Lorraine Clark
Narooma Auto Electric	- Rowan Hawkey
Narooma High School	- Debra Timms
Tilba Real Dairy	- Jack Geard
Tilba Sweet Shop	- Kate Madden
Whale Motor Inn	- Morgan Anderson

I would like to share this letter just received with you -

SHELTERBOX Australia e Newsletter, April 2015 (ShelterBox is proud to be a Project Partner of Rotary International)

Dear Rotary President

I want to start this month's newsletter by saying a huge thank you for the outpouring of generosity from you, our supporters, in response to the tragic events in Vanuatu. Your continued support enables us to respond quickly when disaster strikes. We know that Cyclone Pam will not be the last disaster we deploy to this year and even as we are busy in Malawi, Vanuatu and several other countries, we must be prepared for the next one. Our 'ShelterBox Solution' fund allows us to respond in a more flexible manner than just providing ShelterBoxes. In Vanuatu where we are working with CARE International as part of a Vanuatu response, we've been asked to provide ShelterKits, Midi tents and bulk aid items like blankets and mosquito nets. The 'ShelterBox Solution' funds aid like this and helps us help more people. Of

SHELTERBOX DONATIONS BY NAROOMA UNITING CHURCH DROP-IN CENTRE & QUOTA – this week

What a generous community we live in! Both the Uniting Church Drop-in Centre and the Quota Club have approached us to donate funds to ShelterBox Australia. You may recall that one of the Visioning statements for our Club stated recently at the workshop was to *'provide a conduit for Narooma citizens to be involved in needy international projects'*. Truly heart warming!

Coming up April/May 2015 ...

- **Sat/Sun 18 & 19 April – District 9710 Training Assembly in Tumut:** This provides incoming committee chairs, secretaries, treasurers and president elects with the necessary skills and knowledge to help their clubs, share info and meet other Rotarians. Registrations via District 9710 website are open.
- **Sun 19 April – Rotary Learning Initiative (RLI) 9-4pm @ Baywaters, Batemans Bay: *Delighted that Frank Eden and Michael O'Connor can make it.*** First session is Sunday 19 April, followed by 2 more Sundays, mid May and 14 June. Our Club will pay for lunch. Enjoy these interactive sessions with local Rotarians.
- **Thurs 23 April – Visioning power point presentation @ Club Assembly:** Our recent Visioning workshop, facilitated so expertly, and participated in so enthusiastically by our members, explored many ideas which helped create a framework for the future which our Club will benefit from. These have been put together with the Vision Statement and will be presented for further discussion at our Club Assembly.
- **Fr i 15 to 17 May – RYPEN CAMP@ Mogo:** I have just received 2 applications from students at Narooma High School sponsored by our Club to attend this 3 day camp at Mogo Goldfields together with about 60 other students aged 14-17 from District9710. The Rotary Youth Program of Enrichment (RYPEN) aims to communicate a series of ideas, problems and social experiences which will assist them in forming their own values and moral standards and also to broaden their horizons culturally, socially and academically. The girls, Hayley Stark and Kora Daley, together with their parents have also been invited to our traditional post RYPEN Rotary meeting on Thursday 21 May when we will enjoy hearing them speak about their experiences.
