Short words from Bob Antill

I arrived home to find my copy of Rotary Down Under has a full page on our Beatles fund raiser, well deserved publicity for us and all who were involved.

Many thanks to Michael O'Connor for running the meeting/fun night at Lynches hotel last Thursday night. I have heard through the grape vine that all enjoyed themselves and for some it was a late night.

Merinda and I were in Perth where we laid her parents ashes to rest and on both days had great weather and good support from family and friends.

This Thursday I will be our guest speaker to give an outline of the year ahead and answer questions. Our search for a better more permanent and cost efficient Web site is well in hand with Frank. This project will, I think, be a positive move forward. If you have a favourite Web page you visit, give a thought to what you like about it and let everyone know.

I'm off to Sydney tomorrow to attend my Uncles funeral. He was the last of my father's family and his generation. Uncle Jerry laid down for a nap last Monday afternoon and at 102 called time, a great innings.

See you on Thursday
Bob

A Fun Night?

Laurelle stole the limelight at our last meeting last Thursday with an interesting "work experience" story or three gleaned from her long career as a journalist. If you think a "scoop" has something to do with ice cream - think again !!!

Coming Up. . .

- 14th July Bob Antill on the year ahead
- 23rd Colin Holmes on Rotary Adventure on Citizenship
- 26th Markets
- 30th Board meeting and Club Assembly
